Our role

God has lead Stan and Deanna to minister with SIM Australia to inspire, serve and facilitate churches and individuals into God's global mission.

Mobilising more cross-cultural workers for the harvest will require strategic partnerships with:

- local churches
- the missionary
- you

Serving local churches

- Building and strengthening church partnerships
- Inspiring creative and strategic thinking to help churches become more effective in cross-cultural and global mission
- Facilitating short-term mission opportunities
- Facilitating the sending of missionaries

Facilitating missionaries

Stan and Deanna believe that God is calling people from all walks of life to cross-cultural mission. We want to inspire and guide people to explore the possibilities of overseas mission.

We will seek to connect with candidates through personal contact at local churches, Bible colleges and universities. We will journey with enquirers and their churches as they seek God's purpose for their future.

Your partnership is vital

God has guided us through a distinctive blend of pastoral, leadership, mission and counselling experience for this ministry, but we cannot do it alone. We need a team of churches and individuals to pray, encourage and support us financially. We invite you to partner with us.

The harvest truly is plentiful but the labourers are few. Therefore pray that the Lord of the harvest will send out labourers into His harvest. Jesus
